26	27	Shrove Tuesday (Madri Gras)	Wilhelm was Cinderella's Head Guard; and has always been loyal to her even to the point of his own (mortal) death. It was Cinderella who encouraged him to enter competitions with his bow and arrow. Which, of course, is how he met Cougar and Robin.			

Ehre/Weisheit Kin Clan is unique as the two were individual Clans until the 20th Century. They were established as Kin Clans in 1508AD. Ehre in Munich, Germany. Weisheit in Vienna, Austria. For the next four centuries they worked together but separated. It wasn't until after World War Two when the two merged as one, that covered a large area.

Wilhelm Brandtenstein = Lead Hunter for Ehre

William Tell = Lead Hunter for Weisheit
