				Thanksgiving		
27	28	29	30			

Tallikut was founded specifically to be a buffer between Sylum Clan and Knight and established in the Fort Dearhorn area (today's Chicago). After Chicago, they made their home base 'The Farm' on 100,000 acres of land in Montana which technically spreads across the US and Canadian Border. Tallikut still has established home in Chicago; and another Ft. McKay, Alberta which they call the 'Igliut'.
